This dashboard shows Winter session Headcount and 30 Credit FTE (not calculated for graduate students), which you can select from the "Would you like to see" drop-down menu.

There are two points at which Winter enrolment is measured (see "As of"): November 1, which is used for most enrolment reporting, including both the Enrolment Report and the Fact Sheets; and March 1, which (along with Summer session, not shown here) is used for the Audited FTE report.

Further explanation of terms is available on the Definitions page at <http://www.pair.ubc.ca/definitions/index.shtml>.
